DIETARY & ALLERGEN INFORMATION 2026

At Acai Bros, we believe in only using the best quality ingredients to provide you with great tasting products that keep you coming back for more.

With every meal hand crafted by our experienced team members, allergen prevention and cross contamination is of top priority to us. We are committed to providing you with the necessary information and transparency so you can make informed decisions about your next menu choice.

This allergen chart is a guide detailing common allergen and ingredient information which you may/may not choose to avoid. In the instance you do have a food allergy or dietary requirement please advise our teams when ordering at anyone of our Acai Bros stores.

CONTAINS THE ALLERGEN

---

*

MAY CONTAIN TRACES OF ALLERGEN

Due to a number of contributing factors, including our operational practices (example; bowl building, blending, toasting), shared preparation and storage facilities and supplier specifications, this product may contain traces of a specific allergen.

ALLERGEN NOT REPORTED IN PRODUCT

A blank space in the table indicates that this product does not contain the specific allergen. However, whilst we take important measures to avoid cross contamination in our operations, we cannot guarantee that any products sold within our stores are free from allergens.
